Dear Mr. Sherez:

On behalf of Kailua High School and the graduating Class of 1990, we would like to ask for your generous donation of crown flowers. The crown flowers will be used as decoration for this year's commencement exercises.

We will pick up and will call you for the arrangements during the week of May 29, 1990. The flowers will help to create a picturesque setting for this momentous event. Again, thank you for your generous donation.

Sincerely,

Mr. Meredith M. Maeda
Principal
